WHAT'S NEW

Warren County, MS, is replacing its over 100-year-old jail with a modern facility designed to enhance safety and efficiency. The new jail will have a capacity of 220 beds. The project began construction in 2024 and is expected to be completed in the spring of 2026.

DID YOU KNOW?

20 Vegetables that you can grow in the Winter: Leaf Lettuce, Green Onion, Kale, Broccoli, Bok Choy, Dill, Spinach, Carrots, Swiss Chard, Radishes, Beets, Mustard Greens, Cauliflower, Celery, Artichokes, Peas (variety), Collard Greens, Asparagus, Onions (variety), and Cabbage.

Winter Safety tips from John Elfer: The easiest thing to remember is the 4 P's People, Pets, Pipes, and Plants. Keep vulnerable people checked on, keep pets cared for, cover pipes and drip lines, and if you want to save your plants cover them or bring them inside.

FINAL THOUGHTS.....

This winter, be sure to cover up from head to toe. If you stay ready you do not have to get ready. Be Sure to get your Flu Vaccines and Pneumonia Vaccines for preventive measures if you have not done so already. Make healthy hearty homemade soups, hot teas, and hot chocolate to keep you warm and full during the winter season.
